MEMORANDUM FOR: Director of Information Technology, DA

FROM:

Director of Information Resources, DI

SUBJECT: Request for Review and Approval of Attached Project Plan,
"ADP and Communications Enhancements to Intelligence Support
for Arms Control Negotiations"

1. The Office of Information Resources requests your approval for the attached project plan and also your approval to proceed with installation and operation of the system as described in the plan. This project was assigned the following OIT project number: CSG/OIT 88-1995. [redacted] was assigned as the CSG/OIT Project Officer, and we appreciate the assistance he has provided to this effort.

2. We believe this plan now accommodates the concerns expressed to date by all affected components (the DO, including those of [redacted] OS; OC; and OIT). We also believe the plan is consistent with the memoranda, cables, and verbal stipulations to date (see the first two appendices of the plan), but we are prepared to modify it as necessary to address any requirement that we may have overlooked.

3. If you are unable to approve the plan as written, we ask that you then consider each part (communications with DIA [redacted] separately and indicate if you can approve one of those parts. Also, we welcome any conditional approval, subject to stated changes being made to the plan.

4. We have an urgent requirement to install this system [redacted] next January, so we would appreciate your response by 9 December. A response by that date will give us time to make modifications and conduct a second round of coordination, if needed. If you or members of your staff have questions about this plan, please call [redacted]
